COMPANY PROFILE

[Uma Exports](#) is global market leader in Manufacturing & Supplying of Curtain Fittings & Architectural Hardware for hardware industries.

[Uma Exports](#) was established in 1975 in Aligarh, India with small manufacturing Unit and now have 3 huge plants in India. Over a period of time and with worldwide experience of 40 over years with variety of customers following different standards from different countries [Uma](#) has emerged qualitative and competitive source of metal hardware fittings to deliver in time.

Our manufacturing installations are well equipped with all necessary machinery for Precision, pressing, casting, hot stamping. Quality control system is stringent, strict and not compromising. [Uma](#) is open to develop products as per customer's drawing and samples.

A yearn for specialization and total commitment to quality with professional engineering combined with competitive but skilled Indian labour help it to capture the high quality conscious markets of Western Europe & USA. [Uma](#) offers cost effective solutions to the exacting needs of our customers.

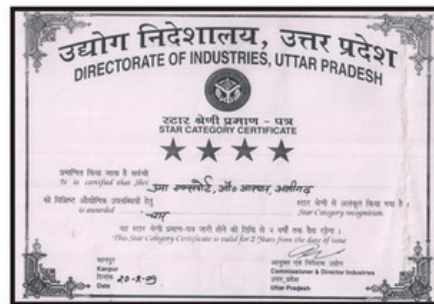

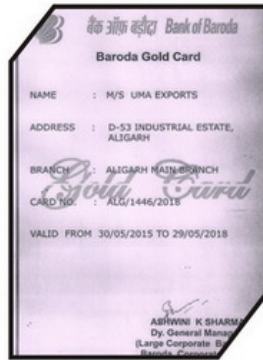

The in house foundry and innovative concept of one piece die casting/machining gives the company a distinct edge.

[Uma](#) has strong presence in Malaysia, Singapore, UK, EUROPE, MIDDLE EAST, AUSTRALIA, MEXICO, RUSSIA and various other countries.

[Uma](#) has a overseas office in Malaysia, Dubai, UK and Russia to make its presence deep and wider in world market.
